SISO Academy Pte Ltd is a registered Private Education Institution under the provisions and regulations of the Private Education Act 2009 in Singapore.

Course Objective

The objective of this qualification is to provide learners with the skills and knowledge required to work in the WSH industry. Participants of this course will gain the knowledge and skills for fulfilling the role of a representative of an organisation in accordance with the WSH level A competency-based training programme. Upon completion of this course, learners will:

- Able to recognise common hazards at workplaces
- Able to recognise the relevant legal and other requirements applicable to the workplace
- Able to implement system management systems at workplace
- Able to understand WSH culture, human errors and assist management in the promotion of WSH culture

Contents

1. Communicate and Relate Effectively at the Workplace
2. Identify WSH Hazards and Maintain Risk Control Measures
3. Support WSH Legal Compliance and Incident Reporting
4. Solve Problems and Make Decisions at Operations Level
5. Participate in Implementing WSH Management Process
6. Check and Report Outcome of WSH Inspection

WHO should attend?

This programme is designed for individuals or worker level with assigned responsibilities as representative or leaders among the workers. An individual who has little or no WSH background knowledge and skills should attend. The unit is also relevant for small businesses operations and self-employed people or individual who are interested in implementing WSH programmes or in WSH Careers.

Certification

All participants will be awarded with Certificate in WSH upon meeting 75% of the required course attendance for each module and assessed to be competent.

Assessment mode

Each module will be assessed individually upon completion of per competency unit through a combination of written assignments, case studies, oral interviews or written projects. All participants must achieve at least 75% physical attendance per module to be eligible for the assessment.
