

Develop a Risk Management Implementation Plan (bizSAFE Level 2)

Synopsis

This course provides learners with the knowledge required to perform as a Risk Management Champion for their organization. It involves developing a practical risk management implementation plan for the organisation which identify specific actions to be taken, by whom and time for their completion. It also entails formation of risk management team, risk assessment, controlling and monitoring the risks, communicating these risks to all persons involved and in compliance with the Risk Management Code of Practice (RMCP). Upon completion, the learners will be able to manage the risk management process at workplace and get recognition of bizSAFE level 2 by Workplace Safety and Health Council.

Objectives:

On completion of this course, learners will have the knowledge and application skills to:

- Verify the expectations of a risk management champion with relevant person in accordance with organisational Workplace Safety and Health (WSH) policy
- Form a risk management team based on organisational WSH policy and in compliance with WSH (Risk Management) Regulations requirements
- Establish hazard identification methodology for the workplace to identify WSH hazards associated with any work activity or trade
- Establish risk assessment methodology for the workplace to determine the risk levels of the identified hazards associated with any work activity or trade
- Establish risk control measures methodology for the workplace to manage the identified risks to a level as low as reasonably practicable by following the principles of hierarchy of control
- Develop a workplace risk management plan to implement the hazard identification, risk assessment, and risk control measures in accordance with organisational WSH policy
- Present the risk management plan to relevant stakeholders for consideration in accordance with organisational procedures
- Communicate the identified hazard, risk evaluated, and implemented risk control measures to the person concerned in accordance with risk management plan

Who should attend

Management such as Engineers, Project/Construction Managers, Health and Safety Personnel, WSH Executive, Line Supervisors, Team Leaders and potential RM Champions who are required to implement a RM plan in their workplaces.
